Improvements set for Broadway Boulevard, Richardson

ADA – Sections of Broadway Boulevard and Richardson Drive on Ada’s south side are scheduled to close temporarily during the next two to three weeks while city crews make improvements in that area.

Crews will install a new six-inch water line from the intersection of Kings Road and Broadway Boulevard going south for approximately 200 feet to Richardson Drive. From there, the new water line will go east for approximately 300 feet to Melody Lane.

City crews will endeavor to keep the streets open as much as possible during the improvement project.

Exact dates for city projects are always subject to change and every effort will be made to notify the public in advance of any changes.

For more information, contact the Public Works department at (580) 436-8100.
