INSTRUCTIONS: The following specification sheets must be completed and submitted as part of the quote. The vendor shall indicate an appropriate response in EVERY SPACE by circling “yes” or “no”. A “yes” response indicates that it is in COMPLETE COMPLIANCE with the specification, if “no” would be the response then a detailed description of any and all deviations from the spec should be noted in the space. If there is not enough room to give a detailed description please attach the written description to the bid document. The right is reserved to determine whether substitutions or deviations are within the intent of the specifications and will reasonably meet the service requirements of the using department. Failure to comply with the above requirements for the quote will be cause for rejection of the quote. Any deviations from the specification, or where submitted literature does not fully support the meeting of the specification, must be clearly cited in writing by the vendor, but no deviation below “minimum” specifications will be accepted.
