8. Discussion of and action on Regular Agenda

- a. Discussion of and action on a resolution of the City Council of the City of Ada, Oklahoma, authorizing the submittal of a grant application to the Oklahoma 9-1-1 Management Authority for the City of Ada 911 GIS upgrade and authorizing local participation if the grant is awarded.

Safety and Compliance Director Jason Keck addressed the council regarding the resolution authorizing the grant application to the Oklahoma 911 Management Authority for the City of Ada's 911 Geographic Information System (GIS) upgrade. This upgrade aims to enhance the accuracy of coordinates for all calls received by the City of Ada dispatch, transitioning to a next-generation GIS system.

Vice Mayor Vazquez inquired whether this constituted software or hardware upgrade and whether the city had allocated funding for it. Keck clarified that this is solely a data upgrade and that the city would require a budget amendment.

Council Member Johnson asked whether the city would need to pay upfront, to which Keck confirmed that it would.

Council Member Dow raised a concern about whether the upgrade would necessitate the collection of more personal information. Keck assured the council that the upgrade would not be more invasive; rather, it would facilitate a more timely response.
